* APR is Annual Percentage Rate. Offer subject to credit approval and rates are subject to change. The rates listed assumes an automatic payment method and includes a 0.50% discount for having an active relationship with the credit union: direct deposit or automatic payment into or out of your credit union checking account and a credit card in good standing. A qualifying credit card must have a transaction within the past 30 days. Any Credit Union loan that is not in good standing or delinquent will disqualify you for Rewards Rates. For U.S. residents, rate applies to 2017 and newer vehicles with a loan term of up to 60 months (based on credit worthiness), up to 100% LTV (loan to value). Please call for rates on older model vehicles. Loan amount will be determined by income and other factors. An example of payment terms are as follows: an Amount Financed of \$25,000 with an APR for 3.84% and a term of 60 months would have a monthly payment of \$460.03.
