

Online Banking

First Time Users

1. Contact GRFCU to set up a PIN for online banking access or use your VRS PIN.
For personal accounts, the PIN is the last 4 digits of the primary owner's SSN. For business accounts, the PIN is the EIN. Members will then have the ability to change that PIN after they login for the first time.
2. Go to www.greatriverfcu.org
3. Click "Register" or simply type in your Member number as user name, and PIN as password.
4. Click on login/continue
5. Choose a username and password
6. Read and accept the Internet Account Access Agreement & Disclosure by checking the box. Then select "Next".
7. Choose to send verification code via email, text message or phone call.
8. Confirm account with verification code, choose to register the device or not and Click Finish.
